1964 HILLTOPPER

Dear Annual,

Some People might think it odd to right in my own annual but I want to always remember my first year at Hillcrest. I've had many great opportunities here and have immensly enjoyed them. I've met many new friends who have been very nice to me. I will always be able to remember Mr. Bennett and all of my friends because of this annual. I pray that my next two years of high school will be spent here at Hillcrest. I remember my first few days. I was so excited because everyone was so friendly. I hope I can help our school live up to this reputation. My favorite teachers this year were Mrs. Kinard and Mrs. Carson. It's a wonder Mrs. Kinard was able to put up with "my big mouth" but I am grateful to her for it. Mrs. Carson was also very nice about helping me get settled because it was pretty confusing. I hope that next year my studies will improve so that my school will be proud of me. May God bless the "Halls of Hillcrest" and all of it's students because its the greatest school I know.

With all my respect
to a great school,

Gail Penland

Gail
much luck
to you in the
years to come
Smith

Dear Gail
I think you are a very
dear friend. May you have
the best that life has to
offer. I would write more
but the bell just rang.

Love

Hail, dim a year
late but dis wish-
ing you the best
of luck and success
you can find

IN MEMORIAM

"A good man out of the good treasure of the heart bringeth forth good things."

Saint Matthew 12:35

Mr. Henry P. Bennett was such a man. He possessed the firmness of the soldier, the tact of the true diplomat, the virtue of the Christian gentleman. He needed all of these qualities in his work as the first principal of Hillcrest.

To consolidate three independent schools into one was not easy, but Mr. Bennett was the right man for the task. He made consolidation work so well that patrons, teachers, and students respected and loved him for it. It seems especially appropriate to say of him, *"Blessed is the peacemaker: for he shall see God."* Hillcrest will stand as a living monument to the memory of this good man.

Our sincere appreciation to Mrs. Anabel W. Stogner for the Memoriam Page Selections.

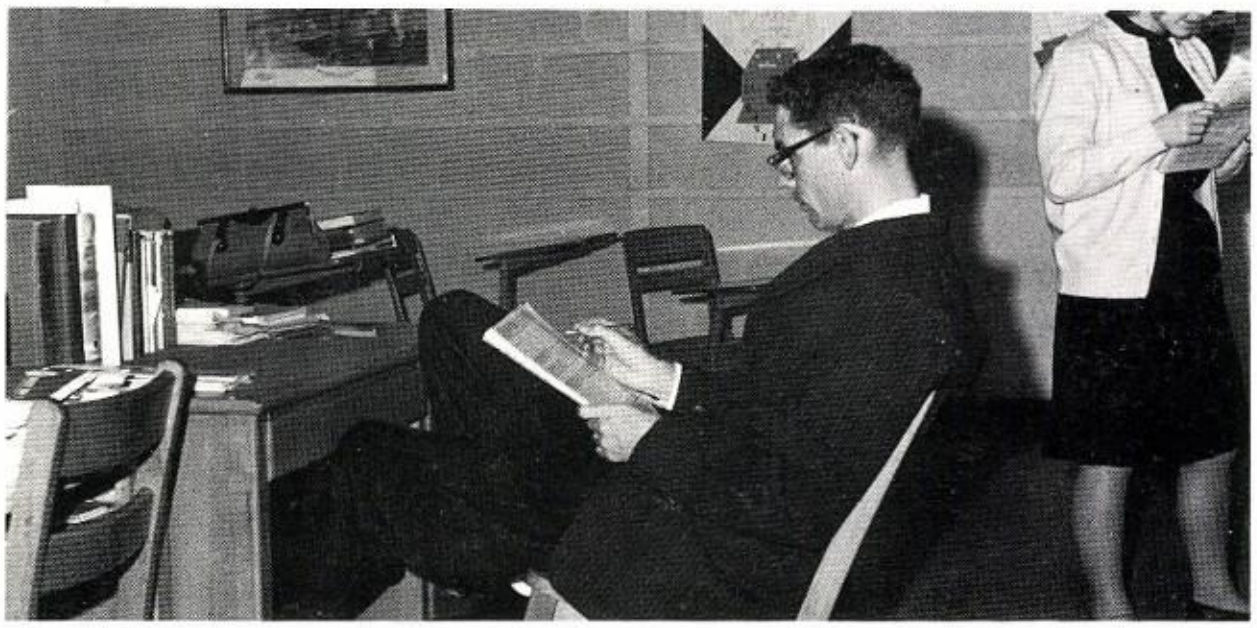
Dedication to

JOHN VERNON HAMBY

. . . for all the long hours of hard work

and the interest shown in each of us. . .



You have served as a guiding light to us during our high school years. You have stamped indelibly upon our minds memories of the many tiring tasks which you undertook for our betterment. Because of your excellent leadership in the traffic force, golf team, and newspaper staff, and because the publication of this 1964 HILLTOPPER would have been impossible without your diligent work and guidance, we proudly dedicate the 1964 edition of THE HILLTOPPER to you

Mr. John V. Hamby

Foreword

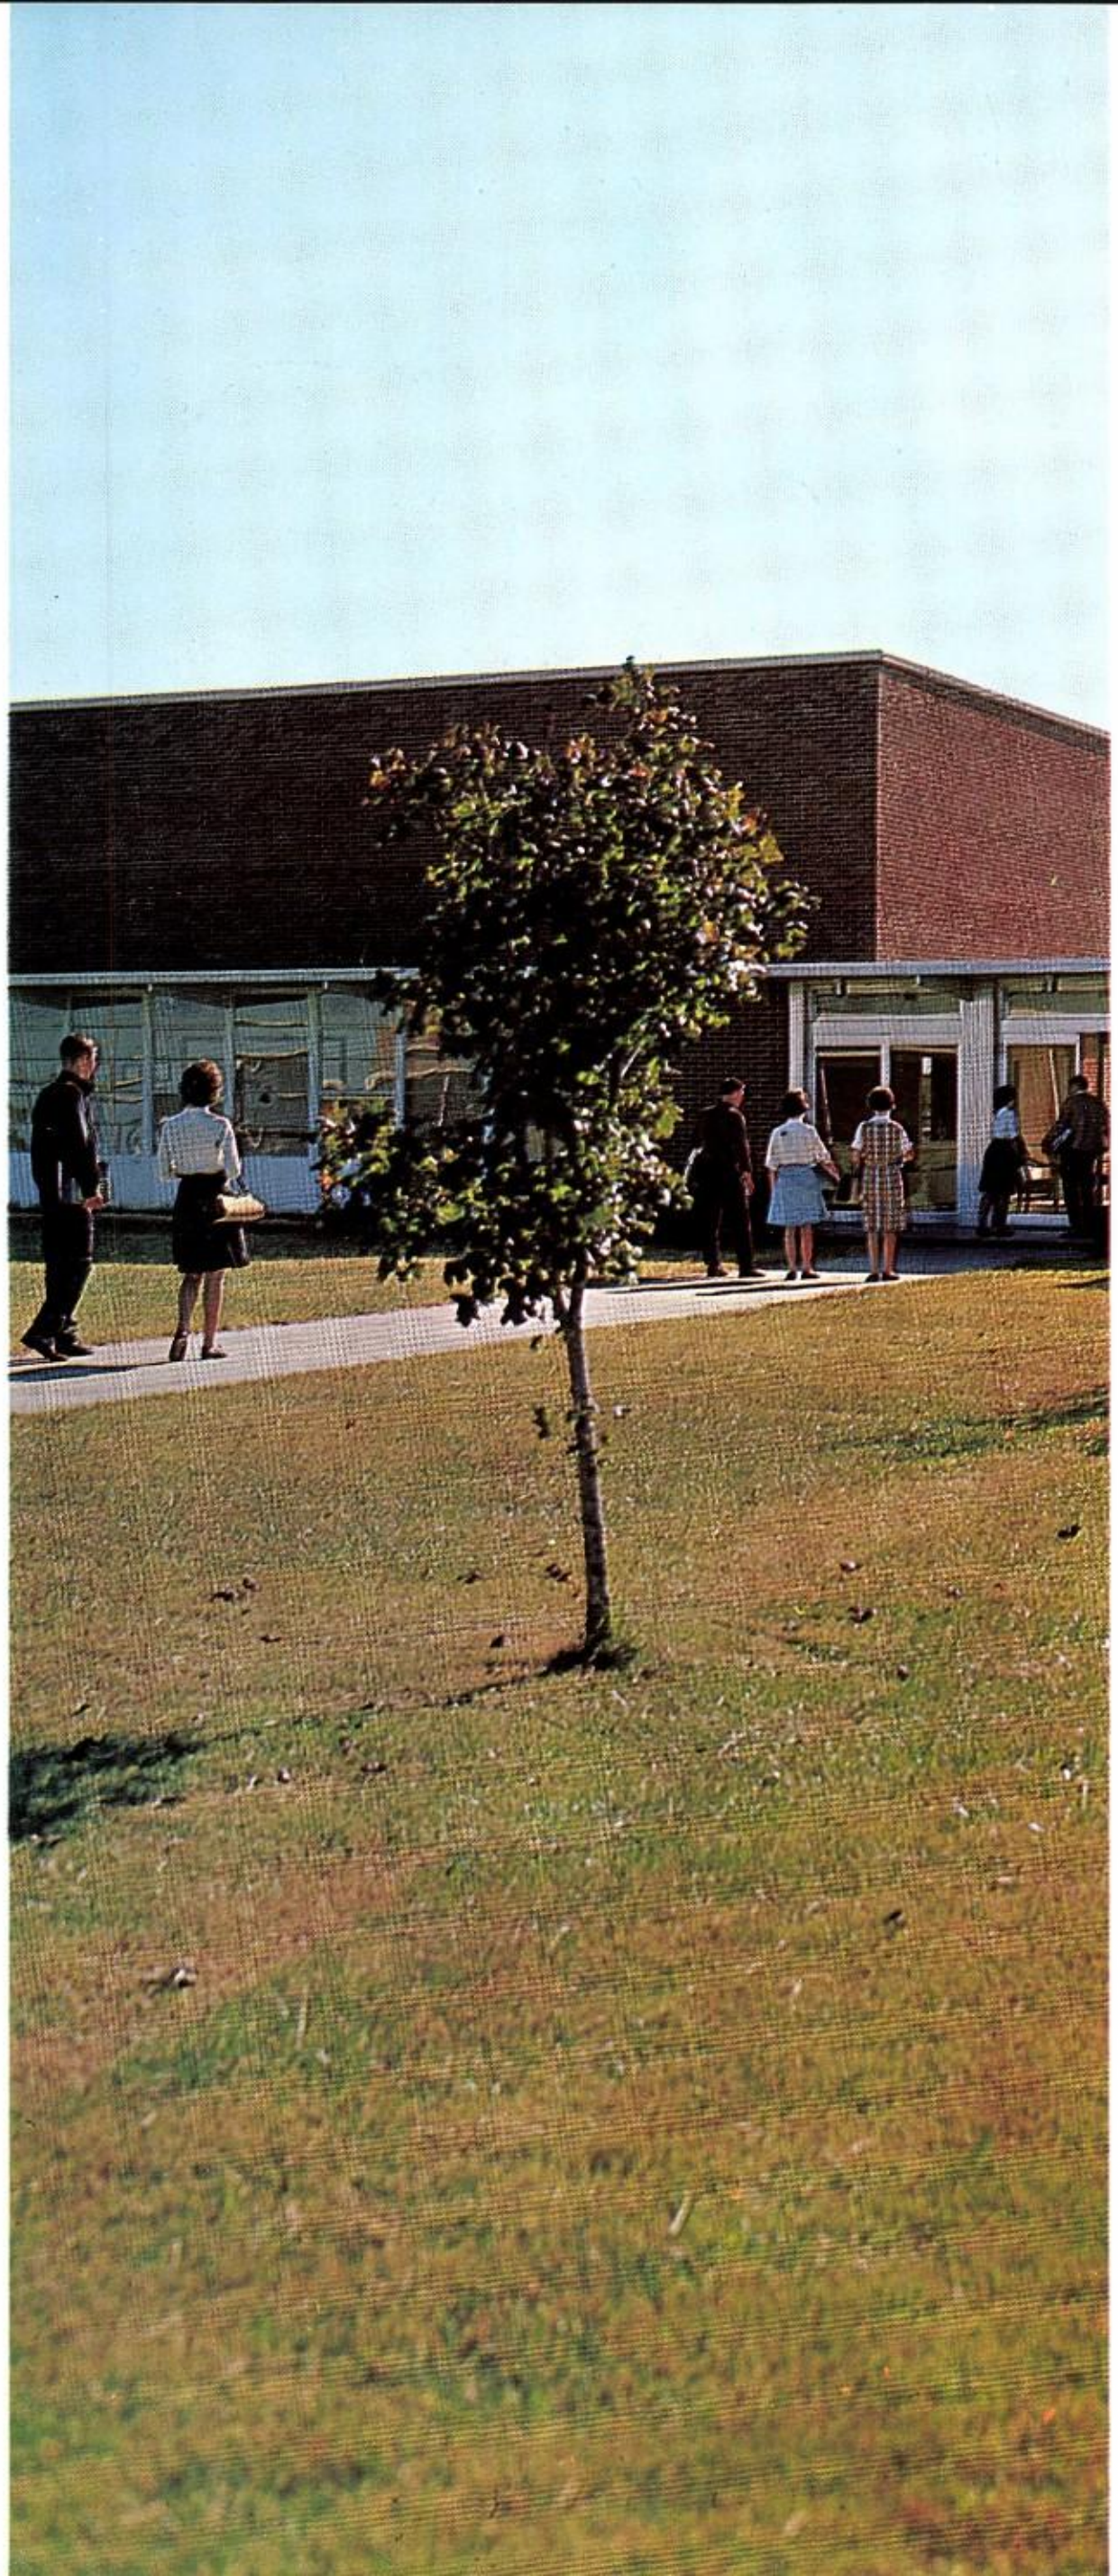
Hillcrest High School is different things to different people. It is a building; it is a place of employment; it is an opportunity to participate with friends in study, athletics, and social activities; it is a challenge to young minds to develop and mature; it is happiness and sadness, success and disappointment, the loss of innocence and the moment of truth.

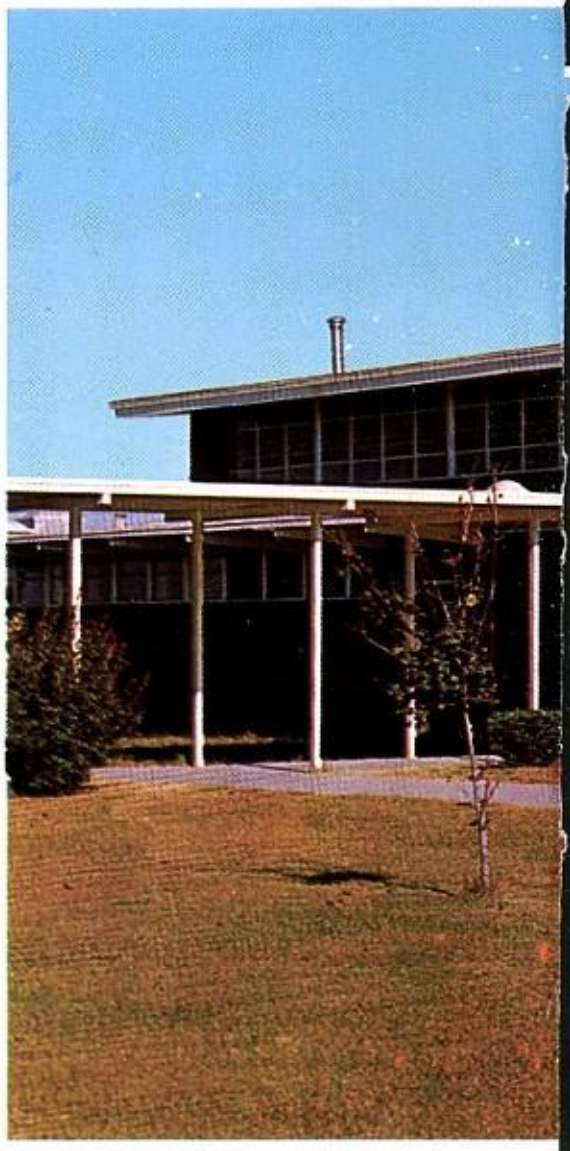
The four years spent at Hillcrest are not merely a time of preparation for life: it is life. It is the American Dream come true; it is the hopes of proud parents; it is the future of today's youth.

Hillcrest is at the same time many things practical and many things visionary: it has qualities both tangible and intangible. Many of its qualities can be seen, others can only be felt. Since music and poetry best express deep meaning and stirring truth, perhaps the true meaning of Hillcrest is best embodied in the Hillcrest Alma Mater.

Once a song is learned it is easy to sing it without thought of its meaning. Our hope is that this never happens with Hillcrest students as we sing our Alma Mater. While singing of honor, loyalty, and truth, may our words not be hollow sounds, but may our voices tell what our hearts truly feel.

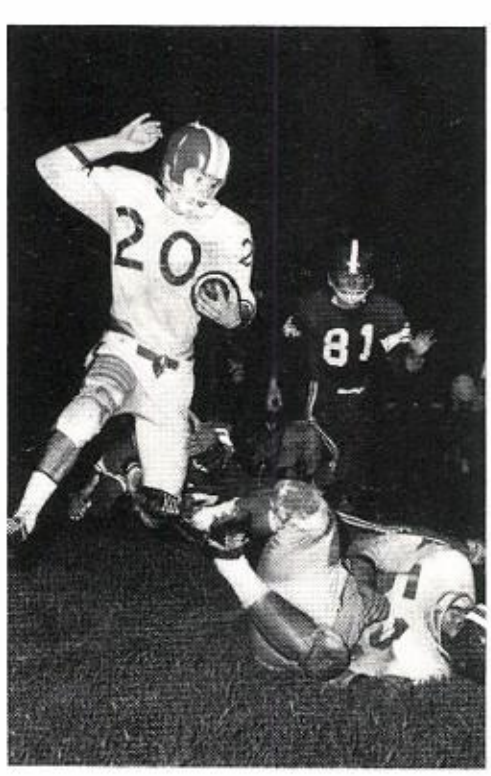
Throughout this book we have tried to tell in words and pictures the true and full meaning of Hillcrest High School by using the thoughts found in our school song.

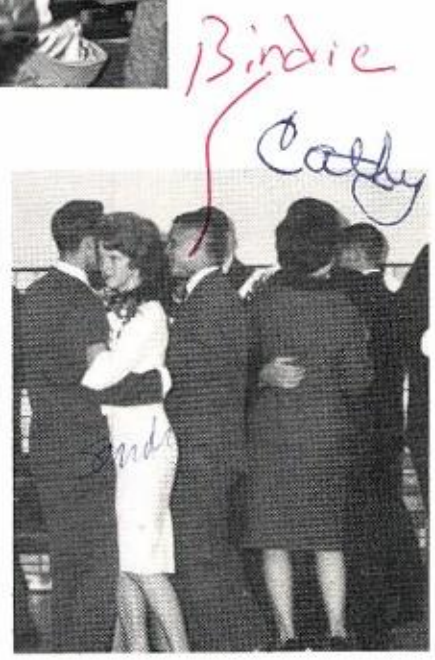


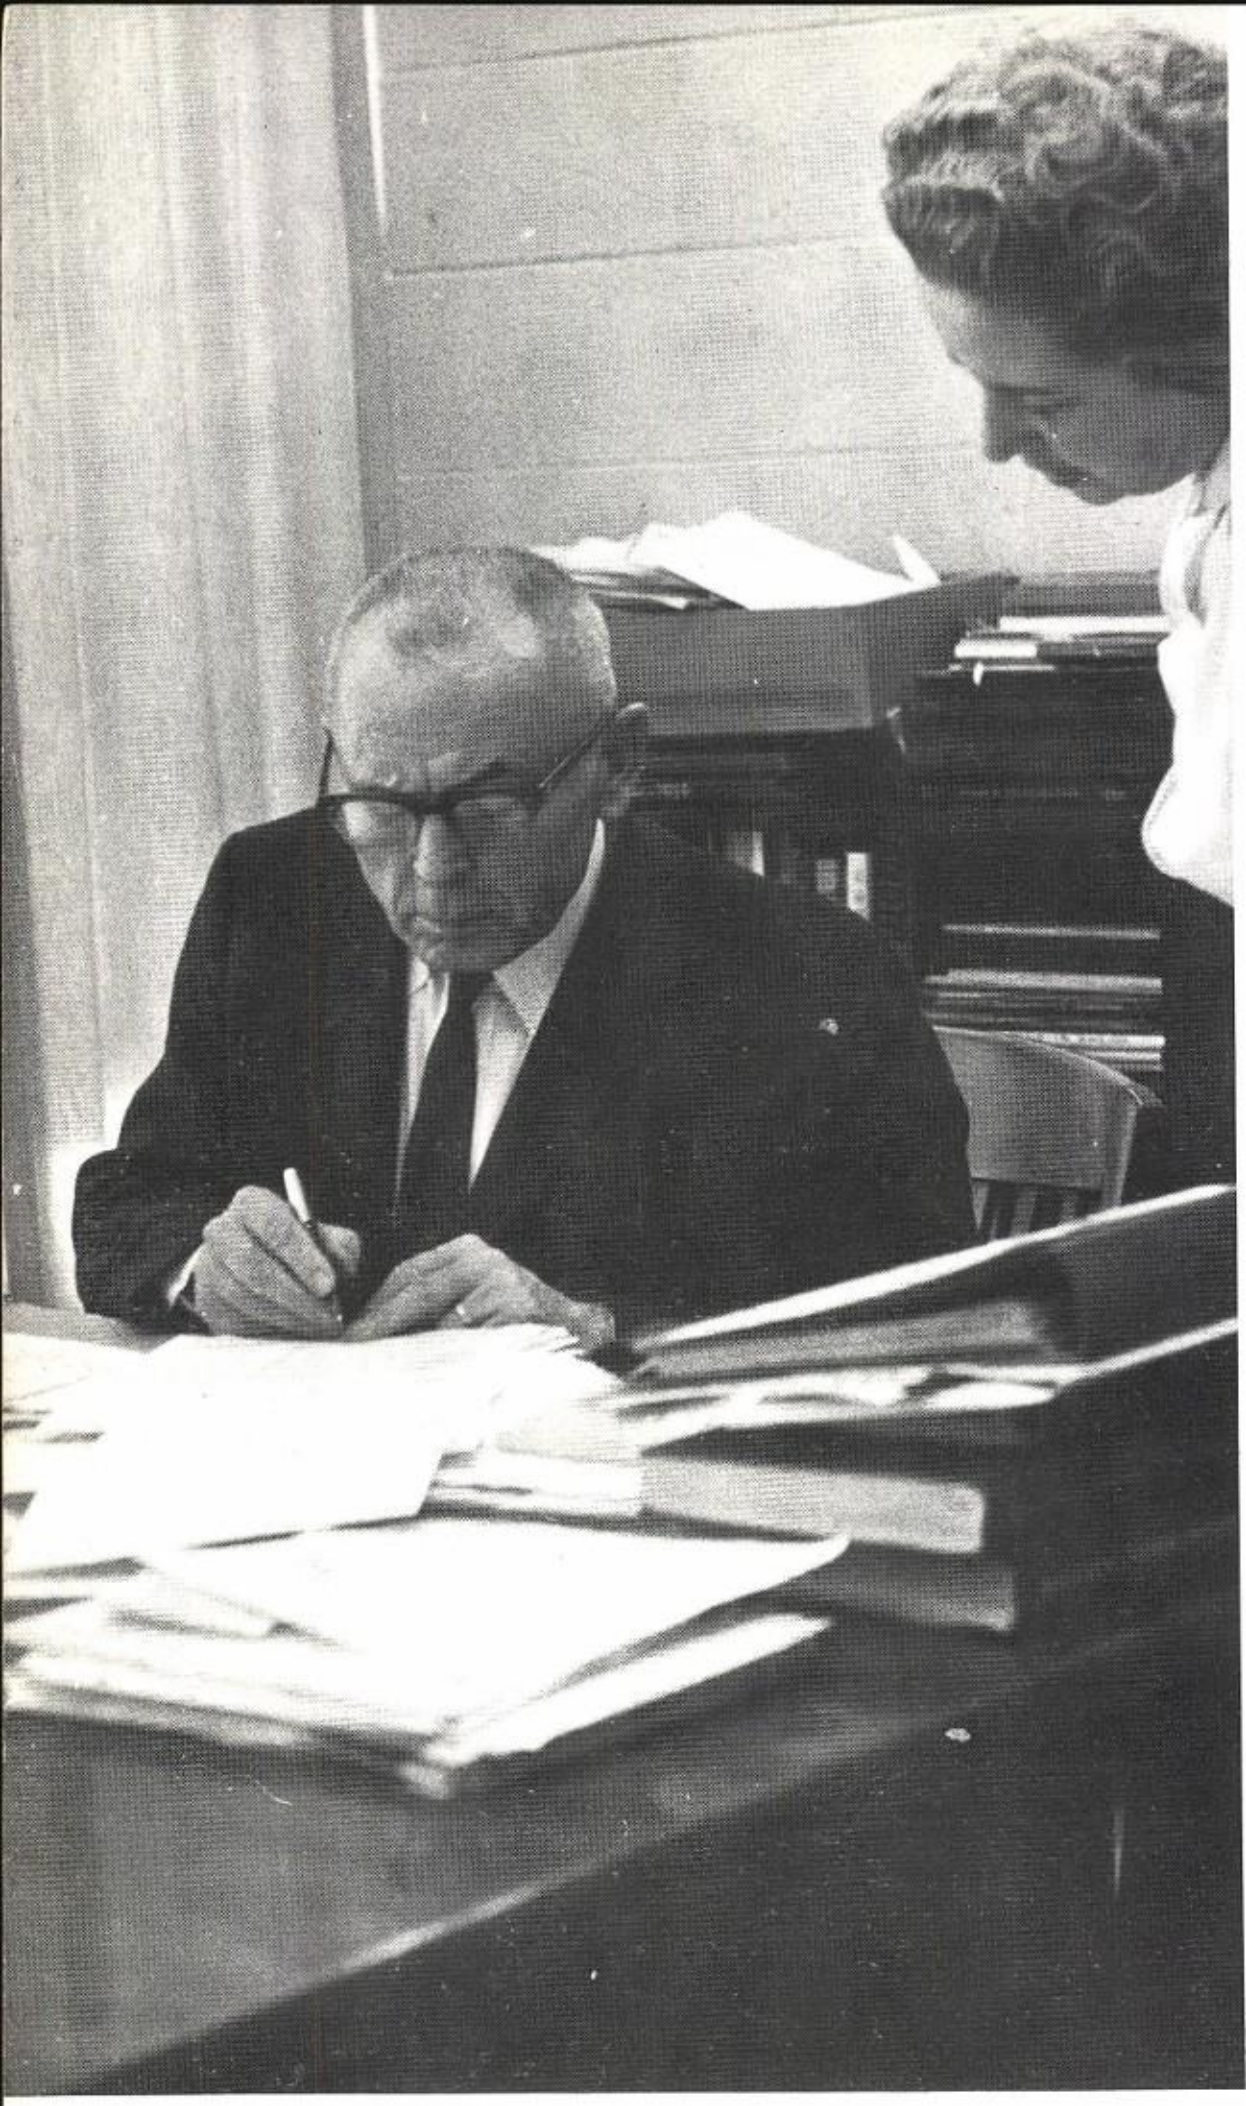


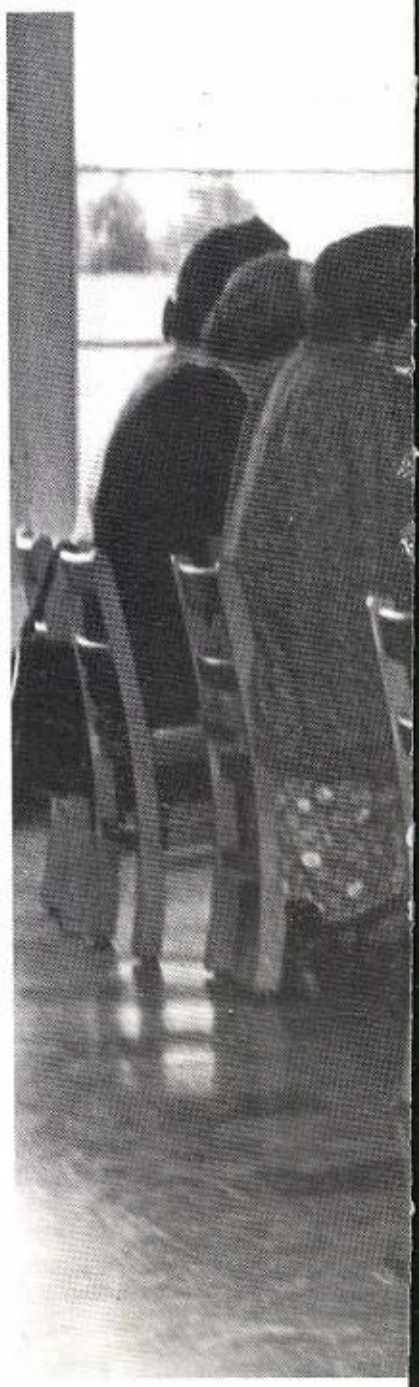
There's a spot in Carolina
Where the foothills lie —
There our noble Alma Mater
Stands against the sky.
Alma Mater, thou will ever
Live in memory.
Here's to thee! Oh Halls of Hillcrest,
Hail O hail to thee.

Through the years we'll try to always
Hold thy laurels high.
Thoughts of thee will grow more tender
As time passes by.
Dear Old Hillcrest, may our hearts
Be filled with loyalty.
Here's to thee, O Hillcrest High School,
We'll be true to thee.









FACULTY

Here's to thee, O Hillcrest High School, we'll be true to thee

Years from now when we are remembering our high school days, what will come to our minds? Certainly we will recall our classmates and friends, and the activities and parties. Yet we will also think of our teachers for they are the center of our school. They represent the purpose of any educational institution. This purpose is to bestow knowledge.

As is true with friends, we will be reminded of one teacher above another. Maybe it will not be possible to picture her face, and perhaps we will not even know her name, but as we look back, we will realize how she helped to build our character and guide our lives on the right course.

The memory of a friend somehow fades as time passes, but a teacher stays with us in every act we perform. Each day we use knowledge that a teacher somewhere has studied, acquired, and then given to her students.

Hillcrest has been fortunate in having a fine teaching staff since the beginning in 1957. As we think of our faculty let us remember them with love and gratitude.

Surely they have been true to us. May we always be true to them.

Henry P. Bennett, Principal; William R. Moody, Assistant Principal; and J. E. Herndon, Assistant Superintendent Area IV; are three men who are much concerned about the welfare of our school.

Mrs. Sara Carson, Counselor, is our aide in any problems we might have.

Best of everything
Sincerely,
P. Livingston

Miss Mary DuPre (right) and Mrs. W. K. Livingston, Jr., secretaries, handle all the technical work which goes into operating a school.

Our faculty possesses a great sense of humor. Here our "Whiffenpoofs assemble" to help the Shindyanny be a big success.

In Mrs. Verdin's French class the students strive to learn to speak, understand, read, and write this language.

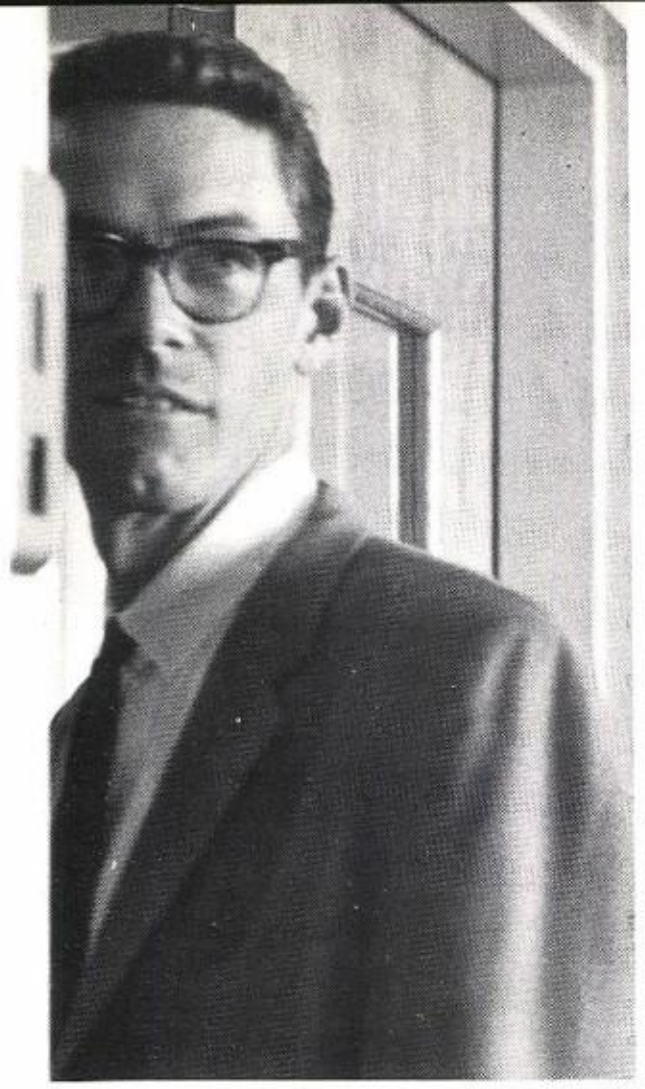
"Hallelujah" the Saints are singing. Boy, that group was the hottest in the Shindyanny. Thank you teachers for your support.



Mr. John Hamby, a favorite member among the paper and annual staffs, also coached the golf team and taught history. Students appreciate a willing worker like Mr. Hamby.

Miss Nancy Jones, who is a new teacher at Hillcrest, has taken on much responsibility in guiding the advertising staff of the yearbook and also teaching history and French.

Mr. Bill Moody, Assistant Principal, has one big responsibility. This is to keep all school buses running on schedule each day. He carries out this job well and each student can depend on him. Best of luck, W.R. "Bill" Moody

Will anybody ever forget how we crossed our fingers when the cut list was called out? The public address system is a helpful and modern facility of our school.

Agriculture, a vocational subject, is of interest to many boys. They carry out various projects through the year and often bring home blue ribbons.

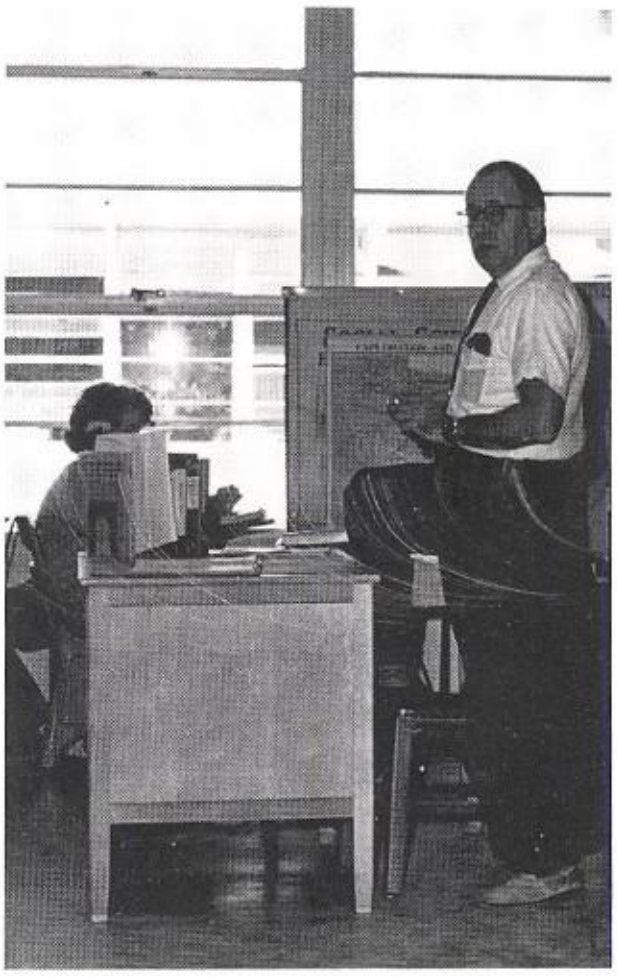
Mr. Smith teaches history. A student may study various branches of history. These are: American history, United States history, Citizenship, and Problems of Democracy.



Music is an extracurricular subject at Hillcrest. Miss Bolt is shown here working with a group who belonged to the all-state chorus and also attended the music festival.

In Memoriam

The memory of a great teacher becomes a living archive out of which flows a stream of inspiration.

To Mrs. Olive Thomason Templeton, teaching was more than a profession: it was a calling. Fortunate, indeed, are we who knew her as teacher and friend. What more fitting tribute can we pay to her memory than to say, "Here was a teacher, sincere, conscientious, faithful, and fair"? She was sincere, without hypocrisy; conscientious, without bigotry; faithful, without boasting; and fair, without harshness.

Her memory will always linger as a benediction upon her students and associates. Some will remember the facility with which she demonstrated the skills of typing. Some will remember her in connection with the intricate patterns of shorthand. Some will remember the patient explanations of the complex bookkeeping problems. Some will remember her encouraging them to write for the school paper. Some will remember her kindness in dealing with older students in veterans school. Some will remember her fortitude through a painful illness. All will remember her as a *living* teacher, and her influence will be a *living* force.

CLASSES

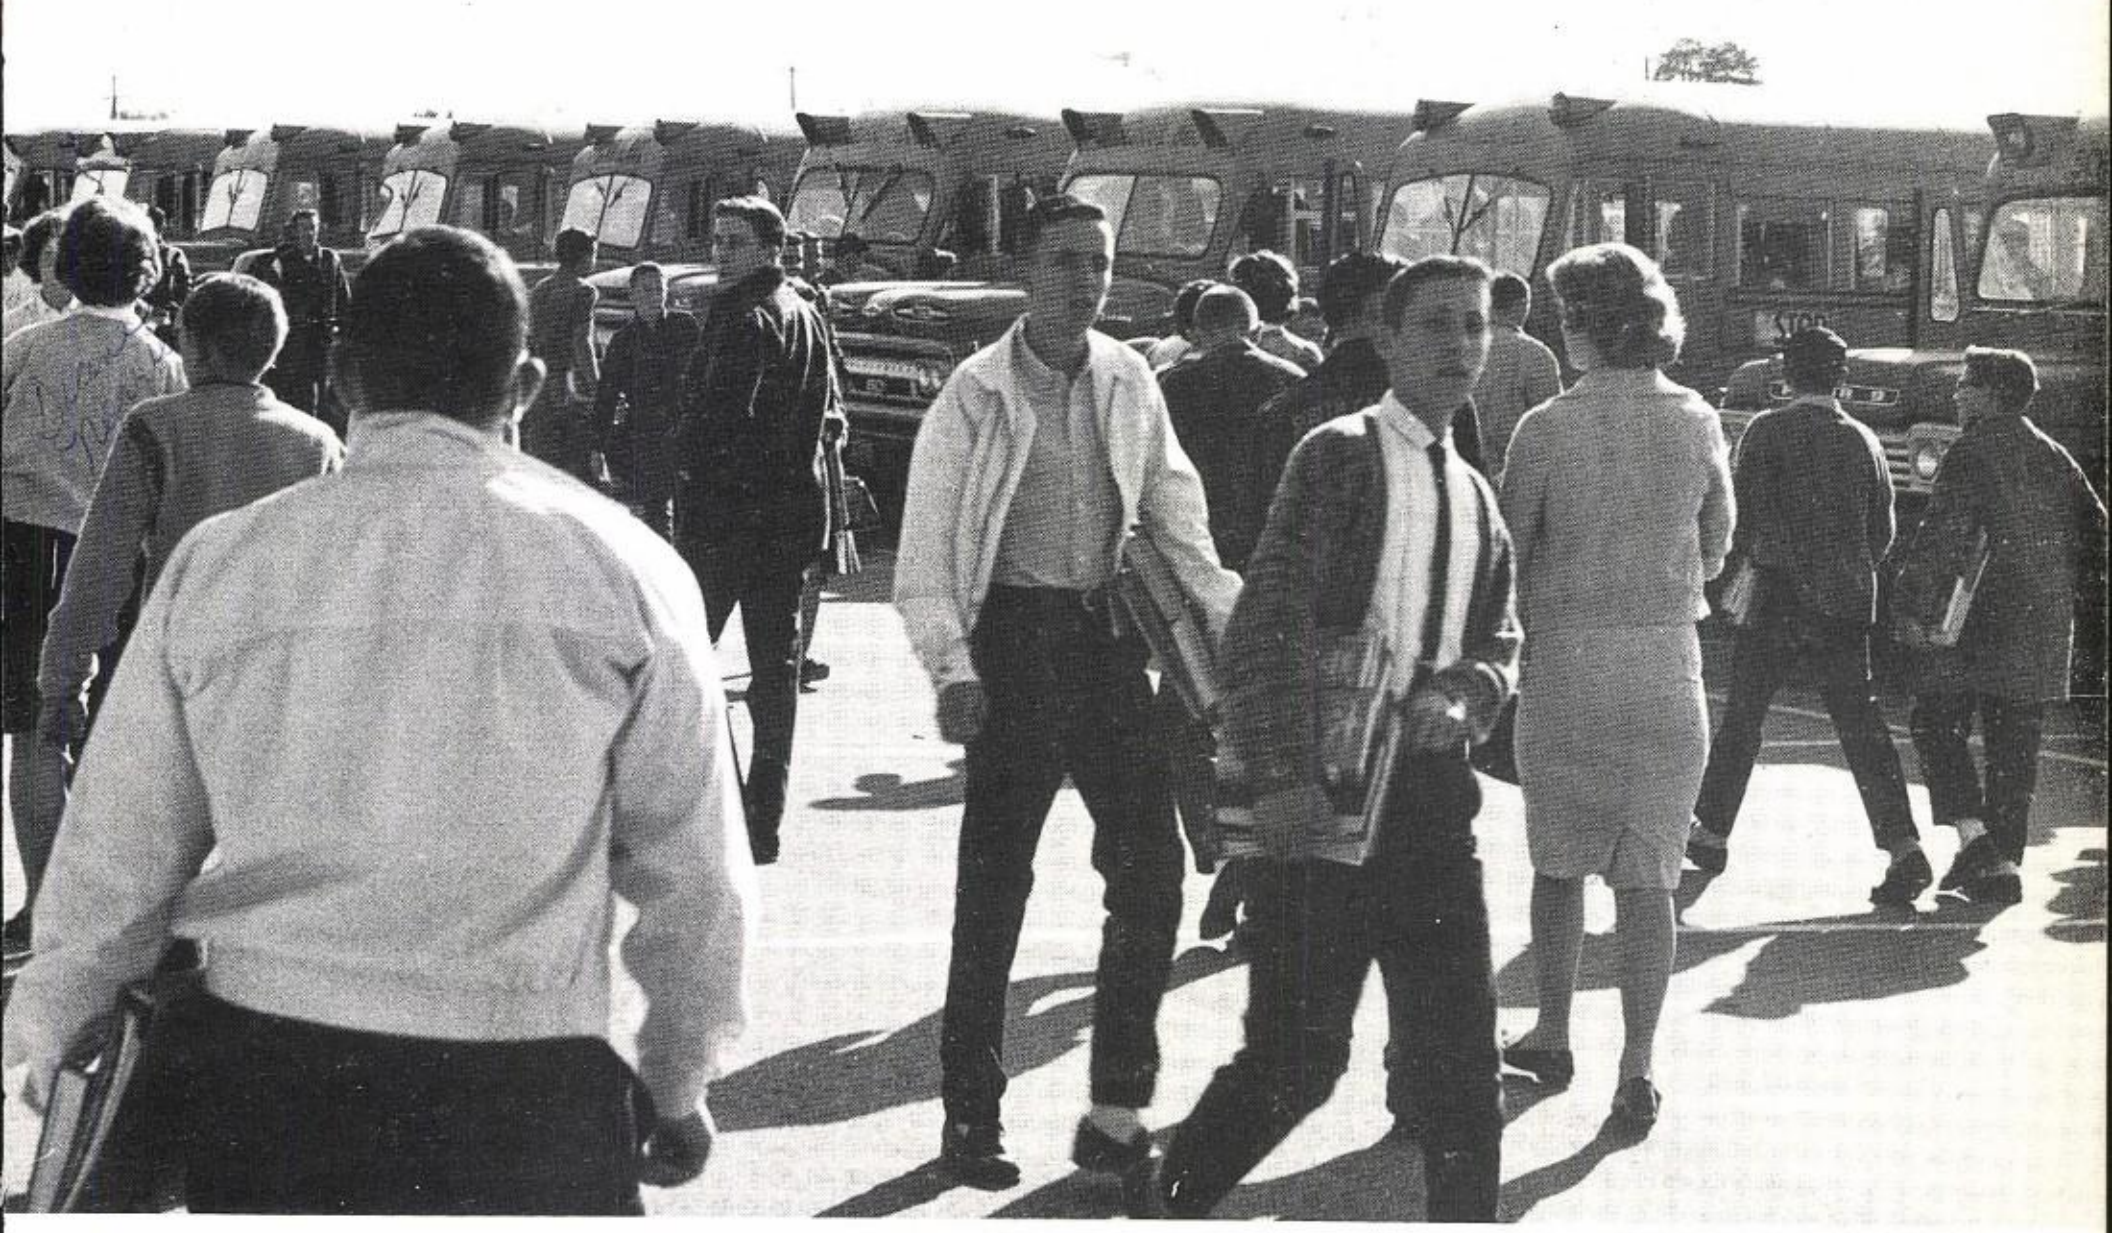
Alma Mater, thou will ever live in memory

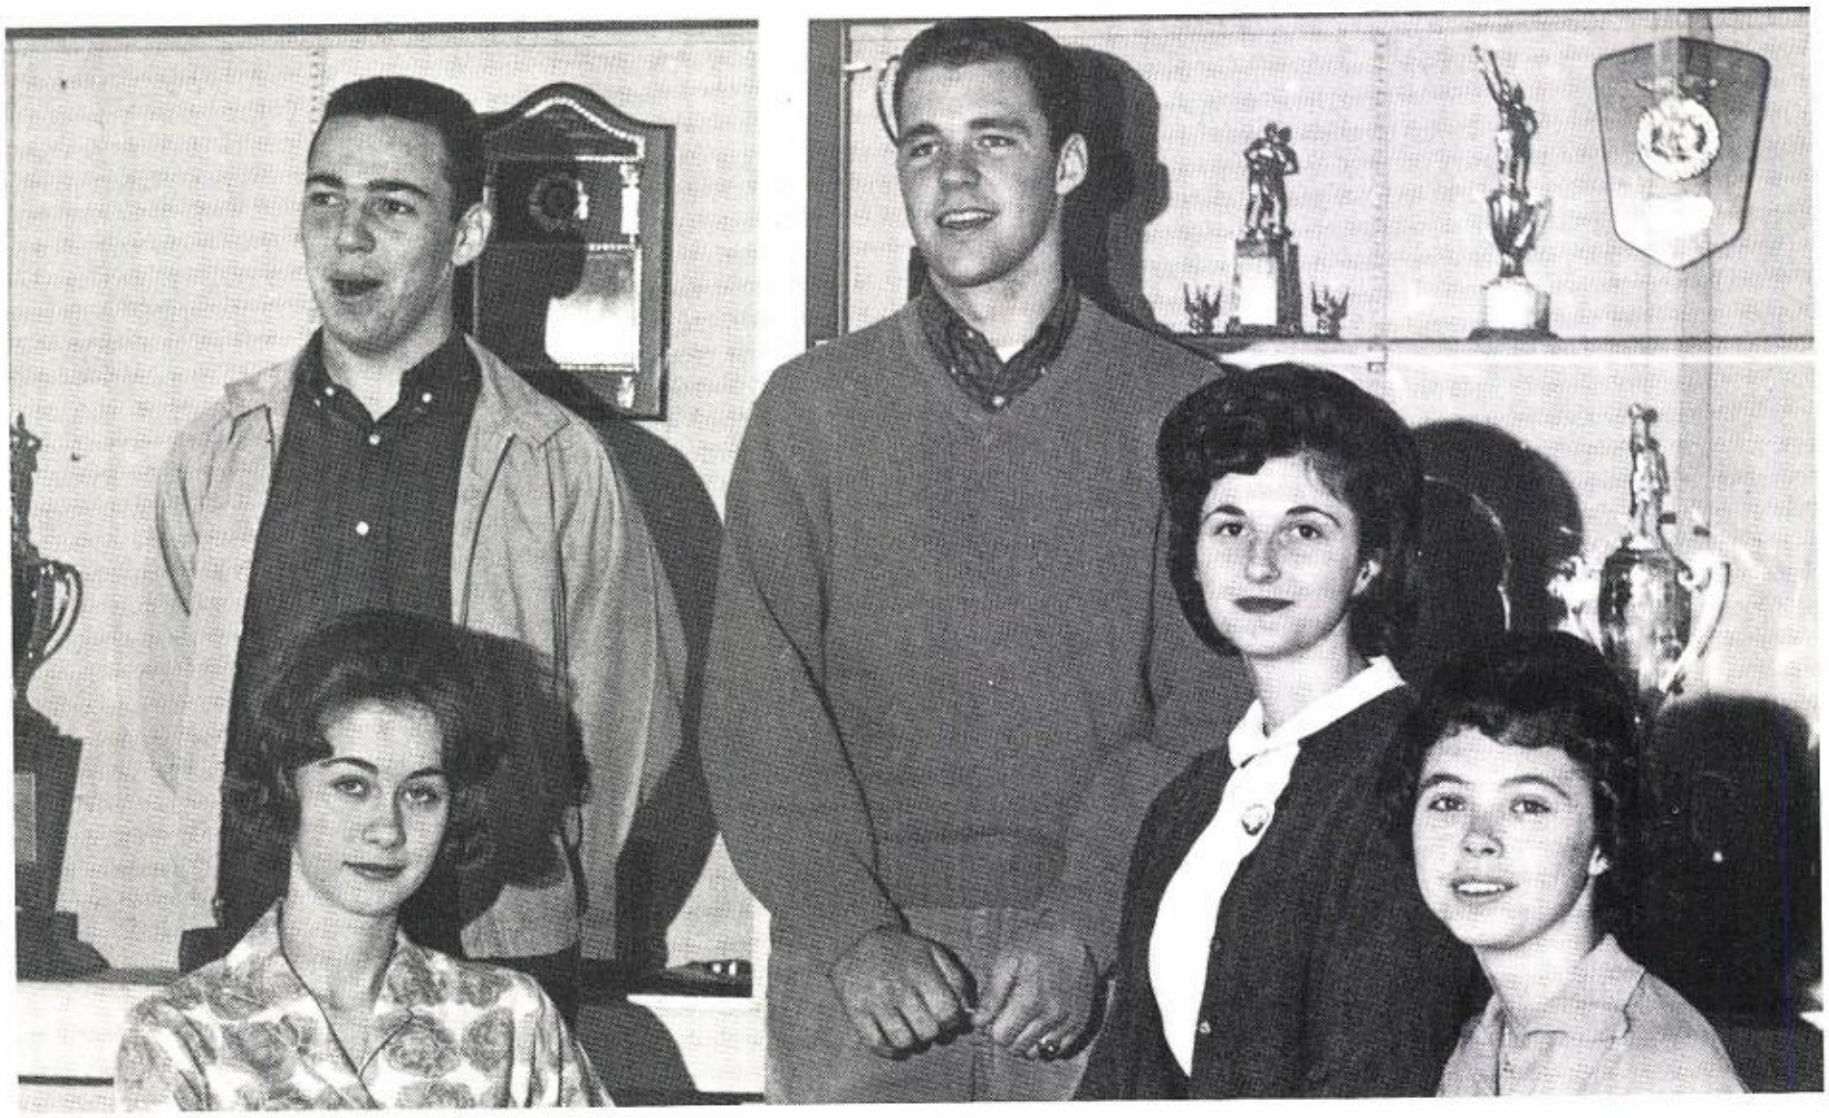
Someone has compared the class section of a high school yearbook to an evergreen tree. When thinking of an evergreen the words freshness, never dying, and constant renewal of new life come to mind. What better way is there to describe our classes?

In progress there is a joy and a sentimental sadness. Someday each of us must leave high school, which has been our way of life for several years, and face a new and challenging world. It has been our goal to educate our minds sufficiently in order to be able to carry out our purpose in life. Each of us will be saddened at the thought of leaving and perhaps a little frightened at the thought of beginning, but this is the plan, and life must go on.

The life of the school is it's students. Each student will remember this particular year as special in some way. Thus, we can confidently say that though the years may pass and people disappear, the life of Hillcrest High School will always live in the hearts of those who have labored there.

Alma Mater thou wilt ever live in our memory.





The Senior class officers are the organizers of all class activities. They plan the budget and then are in charge of raising the money. The officers are: Lawrence Blakely, president; Henry Melton, vice-president; Cathy Ridgeway, secretary; Gloria Lamb, treasurer; and Jane Green, reporter.

ACTIVITIES

Through the years we'll try to always hold thy laurels high

Did you ever stop to think why we have clubs at Hillcrest? At first glance they might seem to take away from class time and to be a hindrance to complete devotion to study. But take a closer look.

In joining a club we choose one that deals with a subject in which we are interested. Thus we are with people who enjoy the same activities we do, and together, we can advance in the area best suited to our own personalities. We learn to co-operate with others, and to share in responsibility. This is important to anyone, for in life the ability to co-operate and the ability to receive co-operation are absolutely necessary. Being a responsible person goes hand in hand with this. Leadership is another quality which we develop which is closely related to the others.

All of these qualities—interest, desire to advance, co-operation, acceptance of responsibility, leadership—combine to make up a high standard for the student of Hillcrest and a high standard of living for the future. Now, perhaps we can better understand the value of our clubs and gain the fullest benefits from them. Then we will be able to say,

Through the years we'll try to always hold thy laurels high.

Student Council Publishes First School Handbook

WANDA SNOW
Student Body Reporter

This bulletin board, located in the office wing, is maintained as a special project of the student council.

When Hillcrest students returned to school last September, they were presented copies of "The Hillcrest High School Student Handbook," made possible through the efforts of a hard-working student council. The handbook includes remarks by Principal H e n r y P. Bennett, the list of student body officers, a calendar of events, a list of fees, a daily schedule, the program of studies, the student activities, the rules and regulations, the student conveniences, the constitution of Hillcrest High School, the awards and honors, and the alma mater.

The student council, which has been in operation only two full years, is a member of the National Association of Student Councils, the South Carolina Association of Student Councils, and the Greenville County Inter-School Council. Jean McClure, secretary-treasurer of the Hillcrest High student body, is secretary of the Greenville County Inter-School Council. Representatives from the Hillcrest student council attended district workshops held during the year.

The student council sponsored a project at Christmas to aid Hillcrest maintenance personnel. In addition, they sponsored a Valentine Dance and a project for obtaining a school flag.

Eighty-five students, the largest number in the history of Hillcrest, are members of the Beta Club. This national honorary club is a means of honoring students in American high schools for their social, scholastic, and moral efforts and accomplishments.

The highlight of Beta Club activities this year was the Beta Club Christmas Ball held on December 14 in the Hillcrest cafeteria. New Beta Club members were formally inducted into the club and received their Beta Club pins and certificates during this festive affair.

Beta Club members are received formally into the club during the induction ceremony held at the Beta Club Ball.

Girls' Block H Club Sponsors Many Activities

Girls' Block H Club members are, FRONT ROW, LEFT TO RIGHT: Becky Davis, Linda Long, Polly Garrett, Cathy Buchanan, Phyllis Riddle, Carolyn Webb, Donna Clark, Dale Reeves, Jeanette Minkler, Jeannie Johnson. SECOND ROW: Bitsy Cunningham, Gerry Coates, Pat Smith, Sandra Harvey, Ann Thackston, Linda Weaver, Brenda Pepple, Joan Woodlief, and Susan Hicks.

Girls' Block H Club officers, Carolyn Webb, president; Cathy Buchanan, vice president; Becky Davis, secretary; Phyllis Riddle, treasurer; and Susan Hicks, reporter, admire sports trophies.

The big project of the Girls' Block H Club this year was planning and carrying out the many activities during homecoming. The members gaily decorated the cars in which the homecoming attendants rode and planned the half-time festivities which took place during the homecoming game.

The club sponsored the election of cheerleaders and a dance after a football game. They also headed the decoration committee for the Western AA Basketball Tournament held at Hillcrest in February and held an initiation party for new members.

In order to become eligible for membership in the Girls' Block H Club, a girl must have received a block H letter through participating in girls' varsity sports.

French Club members look at Christmas cards which were made by French students.

French Club members attended a special Christmas meeting (in addition to the regular French Club meetings) just before school closed for the holidays. The theme of this meeting was "Christmas in France." Members were told of the many Christmas decorations and customs of the French people. Miss Nancy Jones, French I teacher, sang Christmas carols in French.

In following one of the purposes of the French Club, to promote a better understanding of the French language, several members have secured the names of French pen pals. French Club members write to pen pals in French, and the French girls and boys correspond in English.

The Future Farmers of America motto, "Learning to do—doing to learn—learning to live—living to serve," was well followed this year by both Hillcrest F.F.A. chapters as they participated in the varied activities of the F.F.A. program. Members of both chapters devoted much time and effort toward making the "Rat Eradication Campaign" a success. Posters advertising the campaign were placed in many areas of the school, and pamphlets were distributed to all students.

The chapters also held a green-hand ceremony during which freshmen F.F.A.'ers were formally accepted as members of the organization. Chapter farmer degrees were also presented at this ceremony to the third year boys who did outstanding farm projects and who had passed the necessary qualifications for the chapter farmer degree.

Both F.F.A. chapters took part in county and state soil judging, livestock judging, dairy judging, and parliamentary procedure contests. Among the many prizes won by the chapters were: first place, Sears-Roebuck Pig Chain Show, Greenville County Fair; first place, federation parliamentary procedure contest; and second place, district parliamentary procedure contest. In addition, the chapters were awarded three parliamentary procedure medals by the state Jersey Cattle Club.

The Junior Music Club, composed of seventy-five members, was formed to develop the musical talents of the members and to stimulate musical interest in the school and community. Members of this club show a deep interest in the development and study of music. At club meetings, members learned through planned programs about the many types of modern music.

The Music Club participated in various community programs throughout the year. They also sponsored a "Shindy Hop" after a home basketball game.

THIRD ROW: Tommy Wham, Cleve Robertson, Raymond Fowler, Charles Griffith, Larry Mahaffey, Jimmy Horton, Van Cook, Billy Bayne, James Ray Fowler, Darroh Davenport, and David Williams. FOURTH ROW: Mary Carter, Grace Collins, and Jimmy Williams.

This year the Distributive Education Club opened a school store, The D.E.C.A. Shop, located next to the D.E. room. The shop, operated exclusively as a D.E. project, offers to the student such materials as paper, notebooks, and pencils.

The main project of the D.E. Club was a survey of the Hillcrest graduates of 1963. The club also cooperated with all D.E. Clubs in Greenville County on a project on "Creative Marketing." In January, D.E. members invited the junior and senior classes to hear Mr. C. Rudy Jones, an area merchant, speak on "Credit." Also included in this program were several talent numbers presented by D.E. members.

Distributive Education Club members and their dates enjoyed a Christmas dinner party held at Harvey's Restaurant on the Easley Highway. D.E. members also attended the district meeting in Laurens, in November and the State Leadership Conference in Columbia in March.

THIRD ROW: Roger Smith, Gilbert Libby. Not present, Rose Ann Cox, Donna Forrester, Suzie Jones, Elaine Jones, Pat Hawkins, Debbie Laws, Carolyn Slagle, Ann Nelson.

The special project of the Library Club this year was encouraging its thirty members to build personal libraries in their own homes. At many of the club meetings during the year, programs were presented on the theme, "Building a Personal Library." Group discussions, as well as other planned activities based on this theme, were a part of each Library Club meeting.

Library Club members not only gave at least an hour of each school day assisting with work in the Hillcrest Library, but they also found time to attend district meetings, to participate in the activities of National Library Week, and to visit the library of a nearby college.

During all phases of their library work, they were aware of the purpose of the Library Club. This purpose is to better acquaint students with the library, to develop leadership, to create wider interest in books and reading, and to recruit students for the profession of librarianship.

Members of the Future Teachers of America Club gained experience, as well as aided teachers, by holding classes in the absence of a regular teacher. F.T.A. members with sixth period study halls were frequently called upon to substitute in the classroom.

By actively participating in the teaching program, members upheld the purposes of the club which are (1) To learn about the opportunitities for service offered by the teaching profession, (2) To cultivate the qualities essential in a good teacher, (3) To become acquainted with the work of professional organizations for the improvement of education, and (4) To recognize the opportunities and responsibilities of the individual teacher by actively participating as a member of such an organization.

F.T.A. members also participated in county and state activities. They attended the County F.T.A. Workshop at the Greenville County School Office and the F.T.A. State Convention.

Hillcrest Buses Travel Over 1,000 Miles A Day

This is a typical 2:40 p.m. scene when students rush to the buses.

Twenty-six Hillcrest buses travel approximately 1,000 miles in transporting 1845 Hillcrest and elementary school students each day. These buses drink a tremendous amount of gas a year—32,760 gallons. Each day sixty-three Hillcrest bus drivers leave their homes about 7:10 A.M. and arrive back at their homes about 4:00 P.M., having traveled an average distance of 34 miles. Several buses travel as many as 50 miles each day.

The format of the "Hillcrest Highlights", the school newspaper, was changed entirely beginning with the September issue of the paper. The paper is published six times a year by the journalism class.

"Highlights" staff members worked hard selling candy during November and December. Proceeds from the candy sales were used toward expenses of publishing the paper.

On October 15, "Highlights" staff members played host to the annual meeting of the District IV South Carolina Scholastic Press Association. Student journalists and advisors from twenty-one schools in Greenville, Spartanburg, Union, and Laurens counties attended this meeting.

Early in the year, the newspaper staff joined the Quill and Scroll, the International Honorary Society for High School Journalists. In order for a student to become a member of this club, he must meet the standard qualifications set up by Quill and Scroll.

ATHLETICS

Dear old Hillcrest, may our hearts be filled with loyalty

One of America's strongest characteristics is her competitive nature. In high school, too, there are many types of competition, but the most exciting is found in our sports.

What could be more tense than a TD made in the last minutes of the game, or the drive down the court for that last second basket, or that last hundred yard stretch when you pray for wings on your feet? And amid all the shouting and breathtaking motion, we find a strong sense of unity has developed. The school is bound together in its desire to win. And in setting a goal to be the best athletes, we attain something of much more value. We build a strong character, find a sense of fair play, learn to be good losers, and create loyalty for our school.

Loyalty demonstrates the presence of devotion and love. It is a persistent determination to stand by our school and teams through the wins as well as the losses. No matter where a school ranks, if this quality is missing, one of the desired results of competition has been lost.

As we look back over this year, let us examine ourselves to see if we gave the school all the loyal support it needed. If not, then we can give more in the years to come.

Dear Old Hillcrest, may our hearts be filled with loyalty.

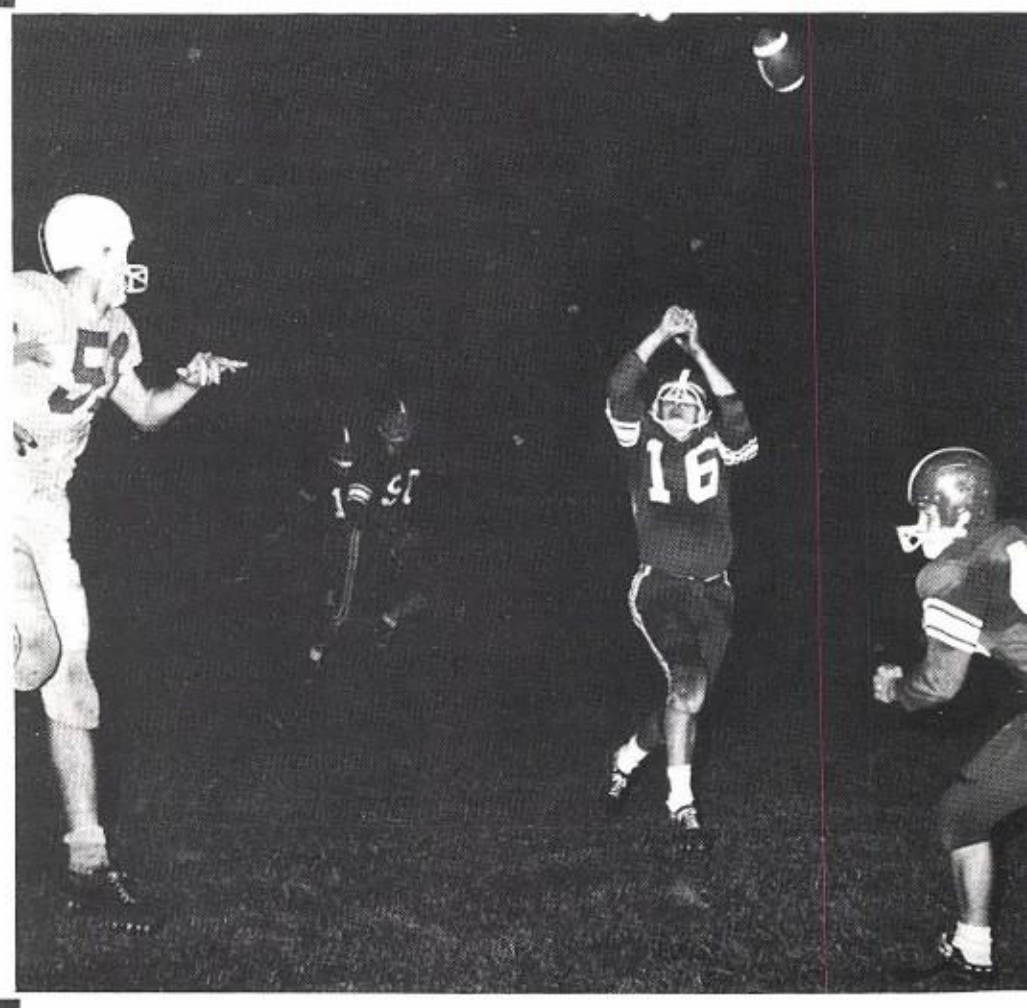
Hillcrest - 19 Ware Shoals - 12

The Hillcrest Rams broke a 12 game losing streak when they came from behind in the last four minutes of the season opener to down the Ware Shoals Hornets 19-12. Phil Hathcox scored the first Rams touchdown, followed in the scoring by Dan Balcombe and Butch Collins.

Hillcrest - 13 Chapman - 27

Looking for their second straight win, the Rams defense collapsed in the second half, due to injuries as the Chapman Bulldogs churned out a 27-13 win. Tommy Thompson scored on a 42-yard run in the first quarter, and Howard Hewitt went over from 7-yards out. Butch Collins kicked one extra point.

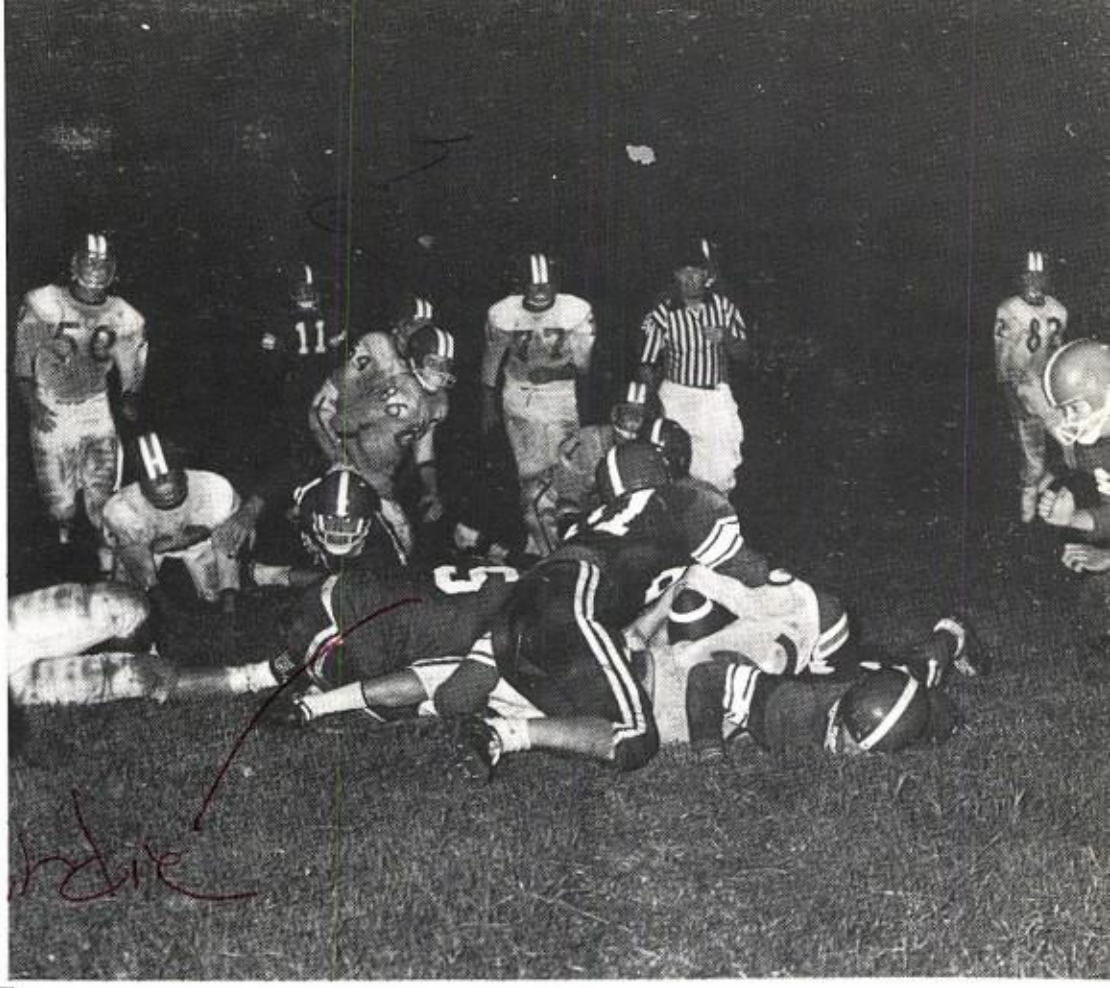


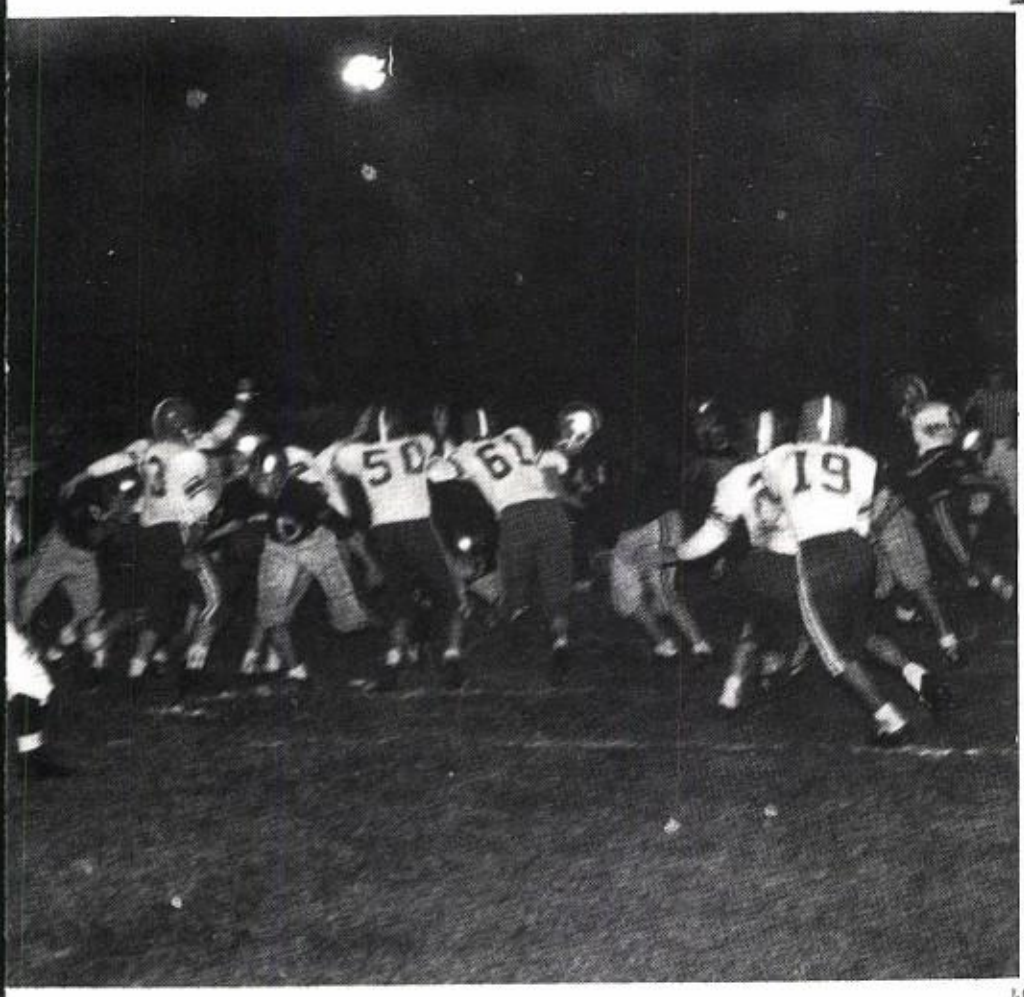
Hillcrest - 0 Greer - 39

When the ever powerful Greer High Yellowjackets swarmed all over the Hillcrest field the Rams were stung with their second loss in a row. The Rams offence never could get rolling and the defense could not control the fast Greer backs. The final score was 39-0.

Hillcrest - 7 Laurens - 7

Looking like a different team, the Rams batted Laurnes High around for a quarter and then scored on a 19-yard pass from Sammy Sloan to Dan Balcome. Butch Collins kicked his third extra point of the year. But the determined Laurens team scored in the second half to tie the game 7-7.





Hillcrest - 7 Daniel - 24

Living up to their praise of being a 100% better team than last year's, by Daniel's head coach, the Rams fought hard for one of their best games of the season. Daniels, being one of the strongest teams in the conference, scored in every period, but had a hard time doing so. The lone Ram score came in the final period when Howard Hewitt took a pass from Sammy Sloan.

Hillcrest - 7 Blue Ridge - 0

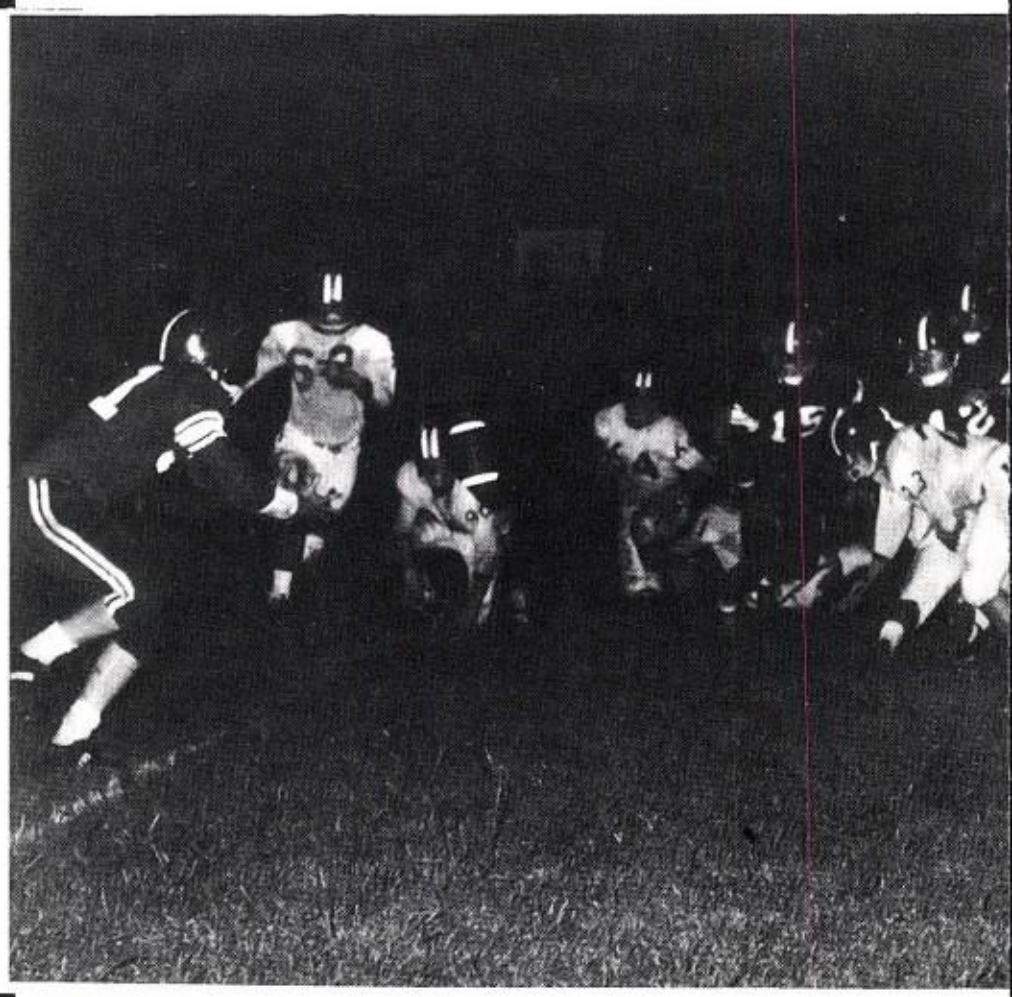
The Rams picked up their second victory of the season by defeating the Blue Ridge Tigers 7-0. Howard Hewitt took a pass from Sammy Sloan and scampered 25-yards to paydirt in the final period. Lawrence Blakely, Larry Snipes, and Chuck Kearney played well on defence for the Rams.

Hillcrest - 7 Palmetto - 19

The Mustangs racked up two quick touchdowns in the opening minutes, then held on as the Rams outplayed them the rest of the game. In the final quarter the Mustangs could not penetrate within the Rams 40-yard line. But the only score the Rams could tally was a pass from Sammy Sloan to Howard Hewitt. The final score was 7-19.

Hillcrest - 7 Carolina - 7

The Rams jumped off to an early lead over Carolina in their annual rivalry, but the Trojans tied the score before half-time. Eddie Rice scored for the Rams and Butch Collins split the up-rights for the extra point. The Rams defense made several goal line stands. Larry Snipes and Chuck Kearney played well for the Rams also.

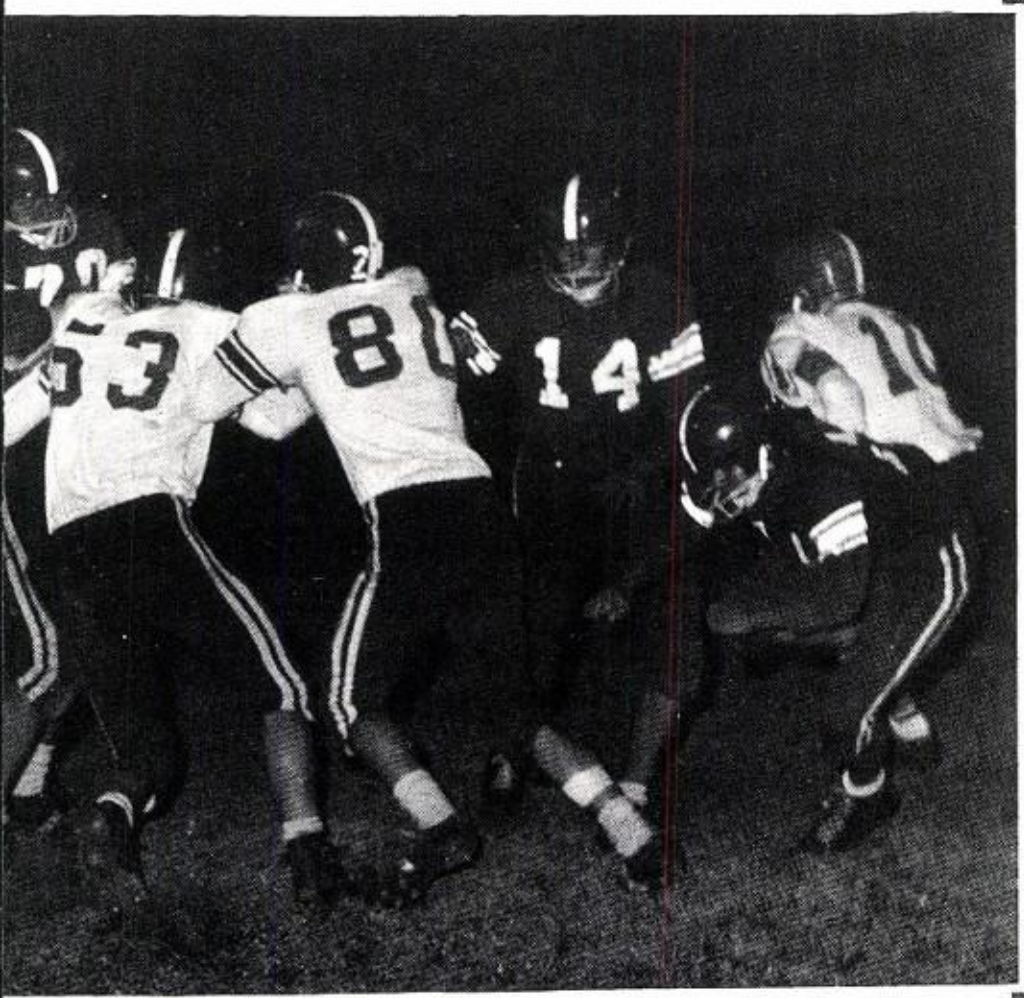


Hillcrest - 0 Walhalla - 20

The Rams played host to the Walhalla Razorbacks on a very soggy, cold, and windy field. Two long runs by Gary Long broke it open in the second half, as the Rams absorbed their fifth loss, 20-0.

Hillcrest - 0 Easley - 34

The Easley Green Wave rolled over the Rams 34-0 in the final game of the season as fumbles plagued the Hillcrest team throughout the game. One fumble led to a Green Wave score, and another stopped a Hillcrest drive on the Easley 12-yard line.



Seniors - 7 Juniors - 0

For the first time a Senior-Junior football game was played, with the Seniors coming out on top 7-0. Although the game was primarily a fund raising activity, it created a great deal of interest among players and fans alike.

Seniors Juniors

The Senior-Junior game was mainly a defensive battle, being played for the most part between the twenty yard lines. In the picture Leonard Sprouse, Dave Richardson, and Chuck Kearney rush Sammy Sloan who tosses a pass to Buddy Long.

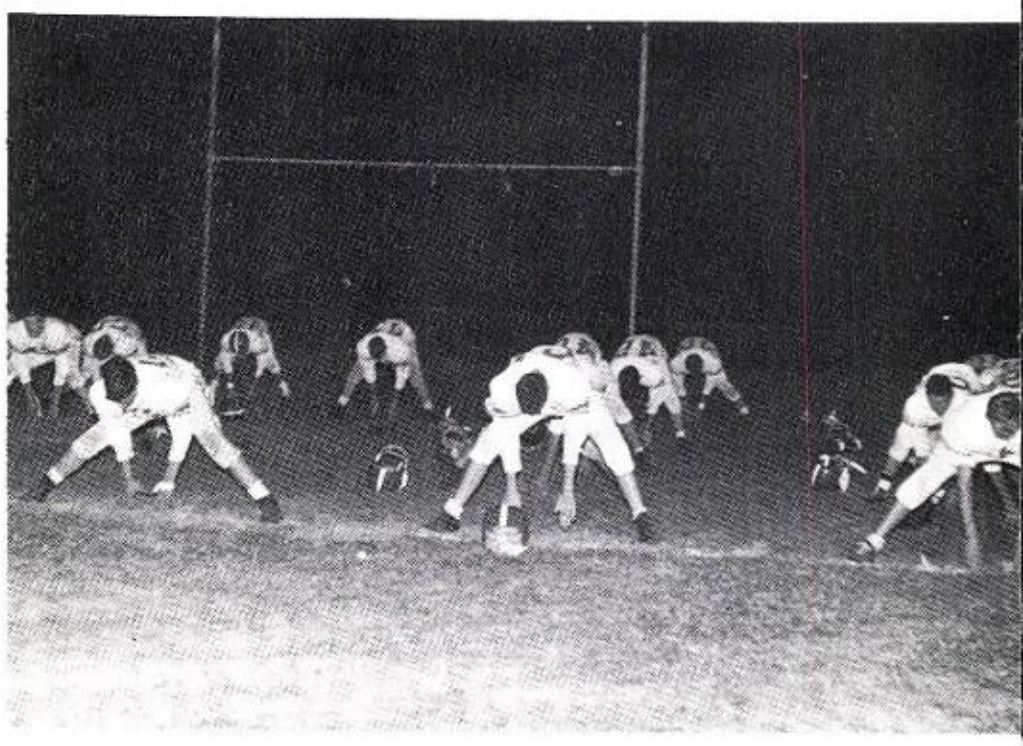
L'il Rams Set.500 Mark

Players on the bench await their turn as the little Rams beat Carolina 18-12.

Hillcrest - 14 Byrnes - 0

In the first game of the season the Junior Varsitys defense held the Byrnes team to take their first win 14-0. In the first quarter Pink Kellett scored the first Ram's TD and in the third quarter Ray Wilson tallied for the second TD.

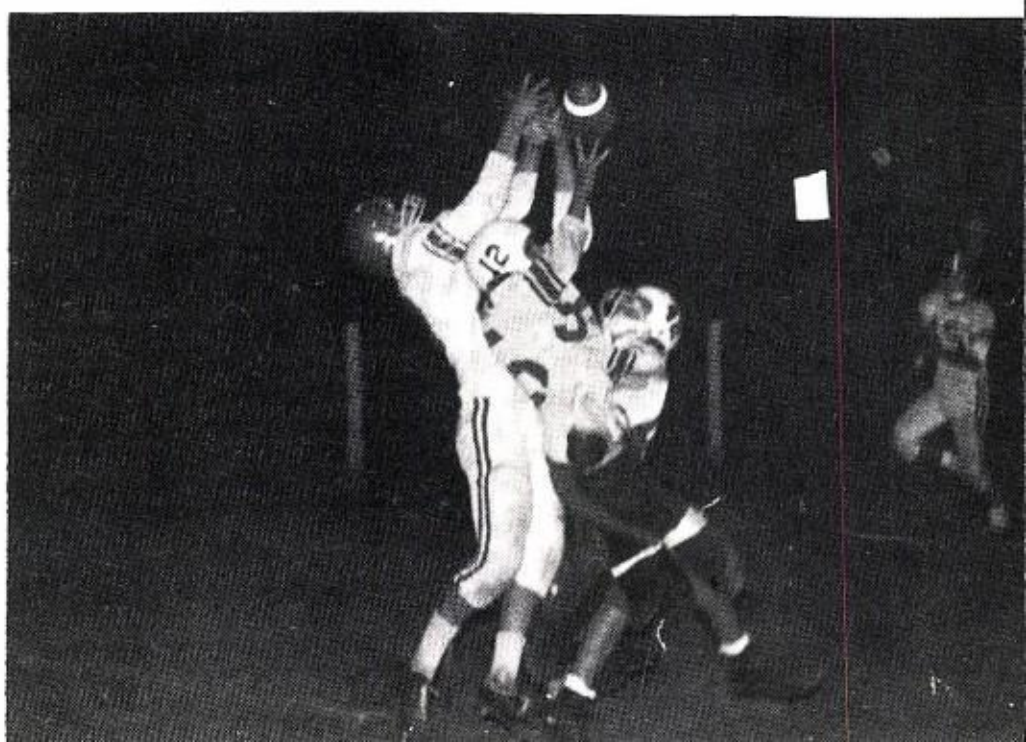


Hillcrest - 0 Greer - 40

The Junior Varsity traveled to Greer only to be turned back by a much stronger and more powerful team. Ray Wilson and Gary Sutton ran well for the Rams but could not overcome the powerful jackets. Final score 0-40.

Hillcrest - 20 Parker -0

Picking up their second win of the season in three games the J.V. team downed Parker 20-0. Ray Wilson accounted for 14 points while Gary Sutton for another six to lead the Rams on offense. Defense standouts were Lewis Blackwell, David King, and Tom Norris.



Hillcrest - 34 Blue Ridge - 6

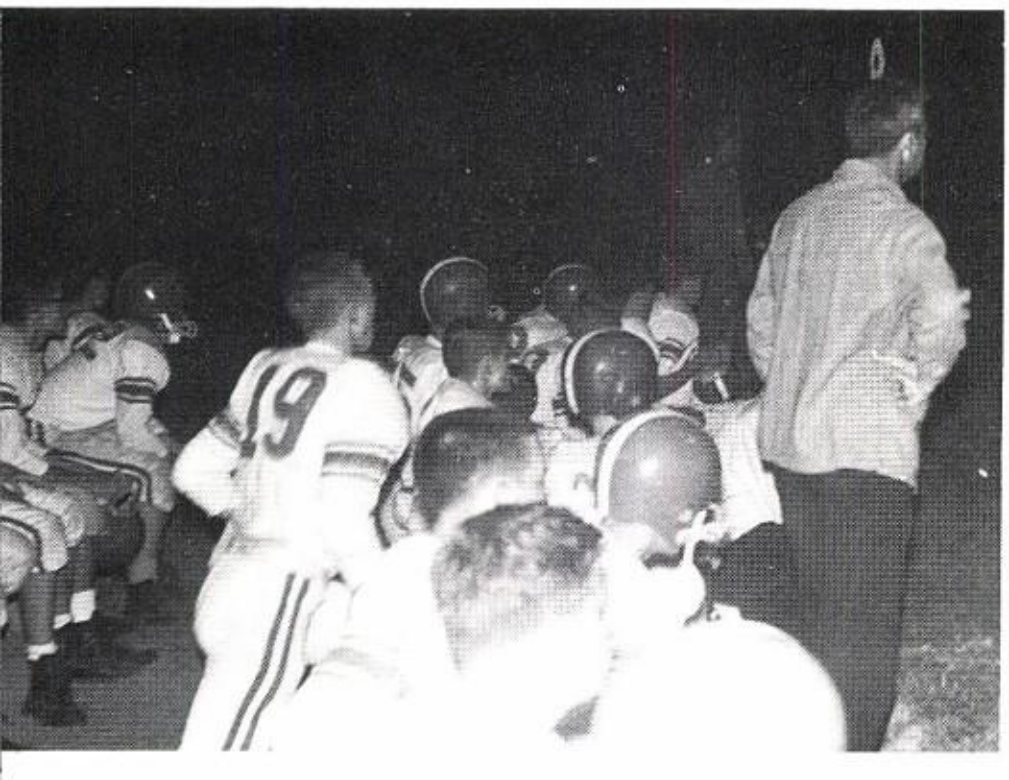
The little Rams added a third victory to their list as they romped over Blue Ridge 34-6. Ray Wilson, Pink Kellett and Gary Sutton sparked the Rams offense while Lewis Blackwell and Tom Norris led the defense.

Hillcrest -18 Carolina - 13

To the surprise of every one except the Hillcrest J.V.'s the little Rams picked up their third straight victory. Gary Sutton pitched two TDs to Grady Hart, and Ray Wilson added another to lead the Rams offense. Lewis Blackwell, David King, and Marvin Foster led the defense.

Hillcrest - 13 Byrnes - 25

Plagued by injuries the little Rams fought hard in their second encounter with the Byrnes little Rebels. But their efforts were in vain as the Byrnes team took a 13-25 win. Ray Wilson ran well for the Rams on offense, and David King, Lewis Blackwell, and Tommy Lucas played well on defense.



Hillcrest - 12 Carolina - 14

As luck would have it the Rams lost a heart-breaker to Carolina in the closing minutes of play. The Rams were on the Carolina one yard line first in ten, as a penalty and time took the winning TD from the Rams. Ray Wilson, Pink Kellett, and Henry Chastain played well on offense for the Rams, and Tommy Lucas, Lewis Blackwell, and David King led the defense. Final score: 12-14.

Hillcrest - 7 Parker - 13

Playing their last game of the season the J.V. team faced a strong Parker team as they lost 7-13. Playing well on defense for the Rams were Frank Garrison, David King, Tommy Lucas, and Lewis Blackwell.

FEATURES

Thoughts of thee will grow more tender as time passes by

Special and unique are good words to describe our features section. It tells the glamorous and exciting side of the Hillcrest story of 1963-1964. The events portrayed are those of an extra-curricular nature. The faces shown are those of outstanding students. Any name found in these pages is one of a student who has done more than just attend school. He has given a part of himself to the betterment of Hillcrest High.

These memories will be thoughtful and serious, but also festive and gay. The race for Valentine Queen, the confusion of Talent Show decorations and program planning, the confusion of Talent Show decorations and program planning, the anxious wait for Hall of Fame selections, even the tense moment before MISS HILLTOPPER was announced — all these we shall chuckle and meditate over someday.

As the years pass the details will fade and our thoughts will mellow, but the memories will always remain. Then we shall know that thoughts of thee will grow more tender as time passes by.

Miss Hilltopper

Miss Sandra Kellett is the daughter of Mr. and Mrs. Calvin Kellett of Simpsonville. She entered Hillcrest in the seventh grade and became an active student. Sandra is now a member of the F. H. A. and F. T. A. She is also the D. E. Club Vice President. Her talents extend to her church work. At Standing Springs Baptist Church she is the president of the Girls' Auxiliary and the secretary of her Sunday school class and Training Union. Sandra is also a musician, and she serves as pianist at her church.

Her future plans include attending Anderson Junior College and later entering secretarial work.

ADVERTISEMENTS

Here's to thee! Oh Halls of Hillcrest, Hail, O Hail to thee

In our years here at Hillcrest we have found many friends in the business world who have given us their interest and cooperation. The HILLTOPPER staff wishes to express its sincere appreciation to these various concerns for their support.

An ad section often goes unnoticed and unacclaimed by the students. However, it should be considered important for each year these pages are necessary in order to publish our yearbook.

Hillcrest is fortunate in having three towns from which to solicit advertisements. None of these has ever let us down in any way. Each has always shown a desire to help the HILLTOPPER become the best publication in this region.

Turn through the pages and read the ads. Then think of this as an up-to-date list of men and their companies who have shown interest in this your school.

The HILLTOPPER staff wishes to encourage you to remember the names of these places of business, and then give them your support as they have given theirs to us.

The people who are represented here are recognizing this school as an institution worthy of their time and money. In this manner they have said to us, "Here's to thee! Oh Halls of Hillcrest, Hail O hail to thee".

Gail I have enjoyed working with you in fourth period Global. Remember the hard work done on the big house for the musical. Best of luck.

do you know...

that you are graduating into one of the most promising areas of the nation? A recent urban research study forecasts "a linear city" for the 300 miles stretching through the industrial Carolinas. Here, in the 20,000 square miles served by Duke Power, scores of thriving towns connect busy cities. Research centers, colleges and universities, and hundreds of industries thrive.

Here in the Carolinas Crescent, there is real challenge and opportunity. There is a place for you to fill, a job for you to do, in an exciting future that begins—*right now.*

DUKE POWER

EPILOGUE

We want to thank you for the opportunity of helping in putting out this year's HILLTOPPER—for without you, where would we be? At times the hours grew long and hard, and tempers were worn thin, but it was a wonderful experience. Every bad moment was offset by many good and happy moments. We only wish that each of you could have shared it with us.

As you receive this book and keep it through the years, we hope it will make memories return as though it were just yesterday. Most of all we hope you like the book. Each decision that was made had this thought behind it, "Will the student body like it, and will it improve the book?"

At last it is finished and ready to become history. All we can say is, "It's all yours now, so enjoy it!"

The Staff

Gail,

It sure has been fun being your friend this year. I have enjoyed our friendship very much. I hope it continues to grow.

We have had a lot fun this year at school and we will probably have more fun this summer.

Remember those times when we sang. It didn't work out too good, but we had fun. Remember Lake Greenwood.

Gail, stay sweet, and good luck with all those boyfriends. I'll be looking forward to seeing you this summer.

Love Ya,
